

San Diego Regional EDC

INTERACTIVE WEB REPORT

SAN DIEGO REGIONAL EDC

National Geographic Channel featured San Diego as the only U.S. city in its acclaimed documentary series "World's Smart Cities." The documentary aired in more than 60 countries. Some of these locations included:

> [Watch the documentary](#)

San Diego has starring role in **National Geographic Channel** documentary.

Asked to visually illustrate how San Diego has become one of the top emerging regions in the world, we created a colorful easy-to-navigate interactive web report that highlights the region's many international connections.
